The 2008 football season was an enjoyable and successful season for the Castle Football program at all levels. The coaching staff at Castle feels the success of our teams was a reflection of the hard work and commitment of our players to be the best they can be!

Castle Quarterback Academy is designed to give members of the Castle Football program a positive, fun experience by teaching fundamentals, skills, and quarterback basics. Camp is open to young men of all skill levels whether they've played before or not and have the desire to play quarterback at Castle High School.

Camp will be instructed and run by the Castle Football Varsity Coaches. Coaches will work with each young man individually to improve his skill level, develop a love of the game, and encourage the qualities that will help him be his best in all areas of life.

We look forward to seeing you this summer at the Castle Quarterback Academy as you work to make yourself a better Castle Football Player and future Castle quarterback!

Go Knights!
